Introduction

Special services are understood to be those aimed at professionals or companies that require a **TMB** asset exclusively, and for a limited time. Special services link many departments of **TMB** and are always different and unique. All of them are bespoke, depending on the needs and circumstances of each case. As general requirements, carrying out special services requires:

- 1. Civil Liability insurance.**
- 2. Completion of a Business Activities Record**, detailing:
 - Compliance with **TMB** safety protocols and regulations.
 - The identity of the people involved on the day of the service (maximum 72 hours prior).
- 3. Payment in advance** (Minimum 7 working days before the date of the service).

The amounts and conditions related to the services included in this document are reviewed and updated annually.

Technical visits

They consist of work meetings, each lasting one hour and limited to six assistants. Always accompanied by TMB technical staff, the visitors can take pictures and take measurements of our vehicles or facilities, respecting image rights and privacy.

The amount of the technical visit is 258 euros, to be discounted from the total from service.

If more than one technical visit were made, only the first one would be discounted.
